

# Download PostgreSQL

<https://www.enterprisedb.com/downloads/postgres-postgresql-downloads>

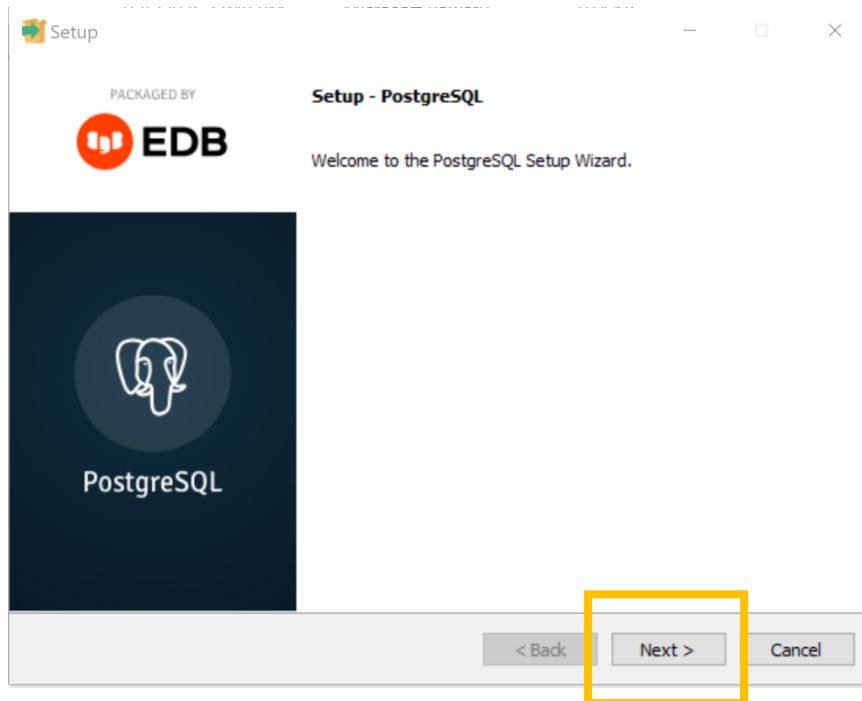

Open source PostgreSQL packages and installers from EDB

PostgreSQL Version	Linux x86-64	Linux x86-32	Mac OS X	Windows x86-64	Windows x86-32
17.4	<a href="https://postgres.org">postgres.org</a>	<a href="https://postgres.org">postgres.org</a>	<a href="#">Download</a>	<a href="#">Download</a>	Not supported
16.8	<a href="https://postgres.org">postgres.org</a>	<a href="https://postgres.org">postgres.org</a>	<a href="#">Download</a>	<a href="#">Download</a>	Not supported
15.12	<a href="https://postgres.org">postgres.org</a>	<a href="https://postgres.org">postgres.org</a>	<a href="#">Download</a>	<a href="#">Download</a>	Not supported
14.17	<a href="https://postgres.org">postgres.org</a>	<a href="https://postgres.org">postgres.org</a>	<a href="#">Download</a>	<a href="#">Download</a>	Not supported
13.20	<a href="https://postgres.org">postgres.org</a>	<a href="https://postgres.org">postgres.org</a>	<a href="#">Download</a>	<a href="#">Download</a>	Not supported

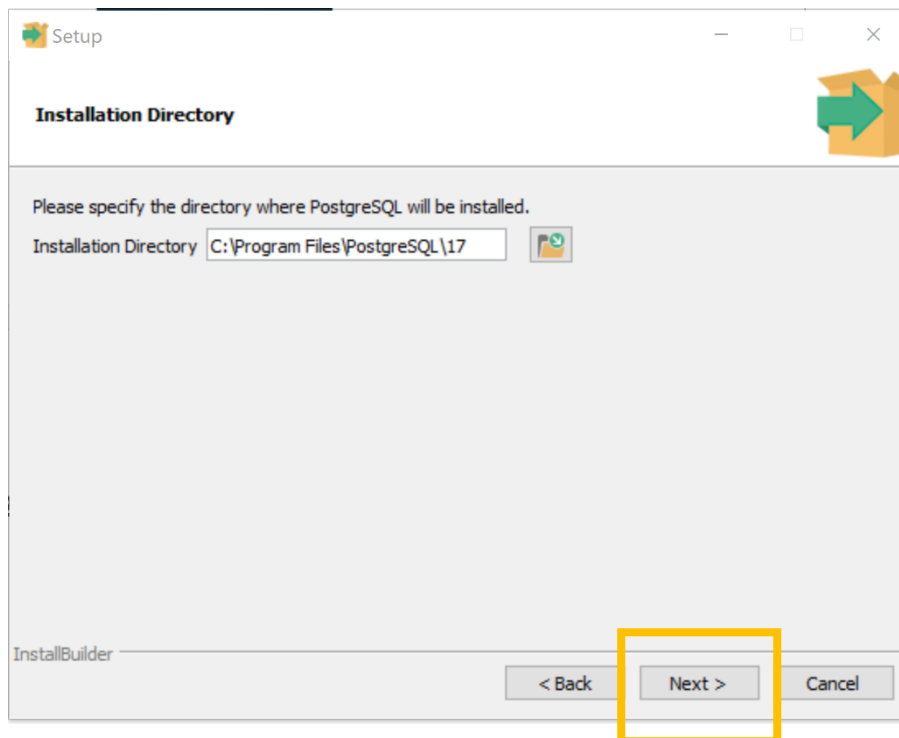

**Note:** EDB no longer provides Linux installers for PostgreSQL 11 and later versions, and users are encouraged to use the [platform-native packages](#). Version 10.x and below will be supported until their [end of life](#). For more information, please see this blog post on [Platform Native EDB Packages for Linux Users](#).

# Install PostgreSQL

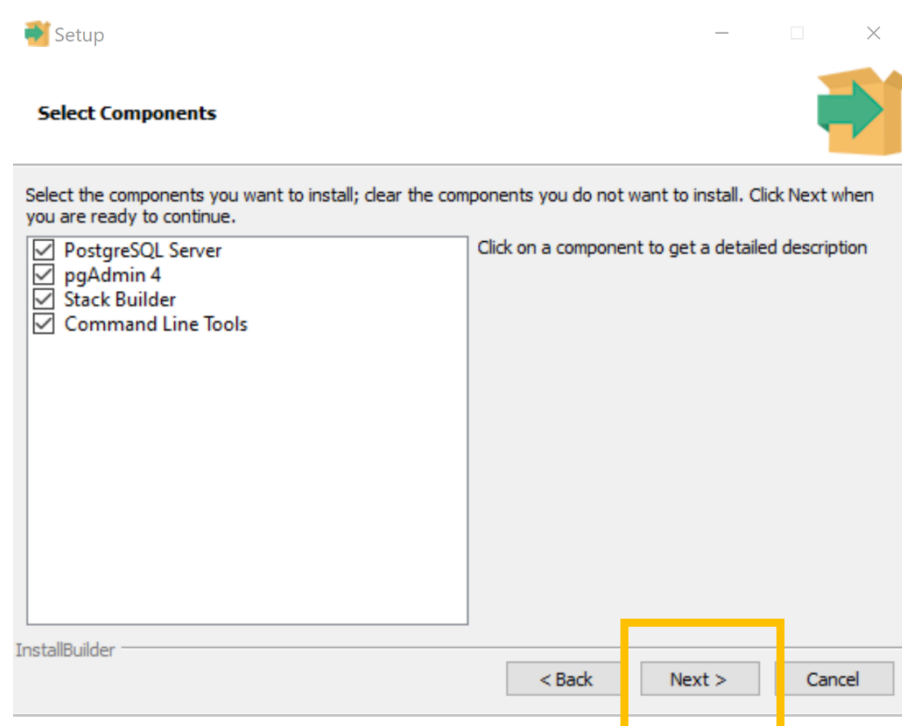

Step 01:

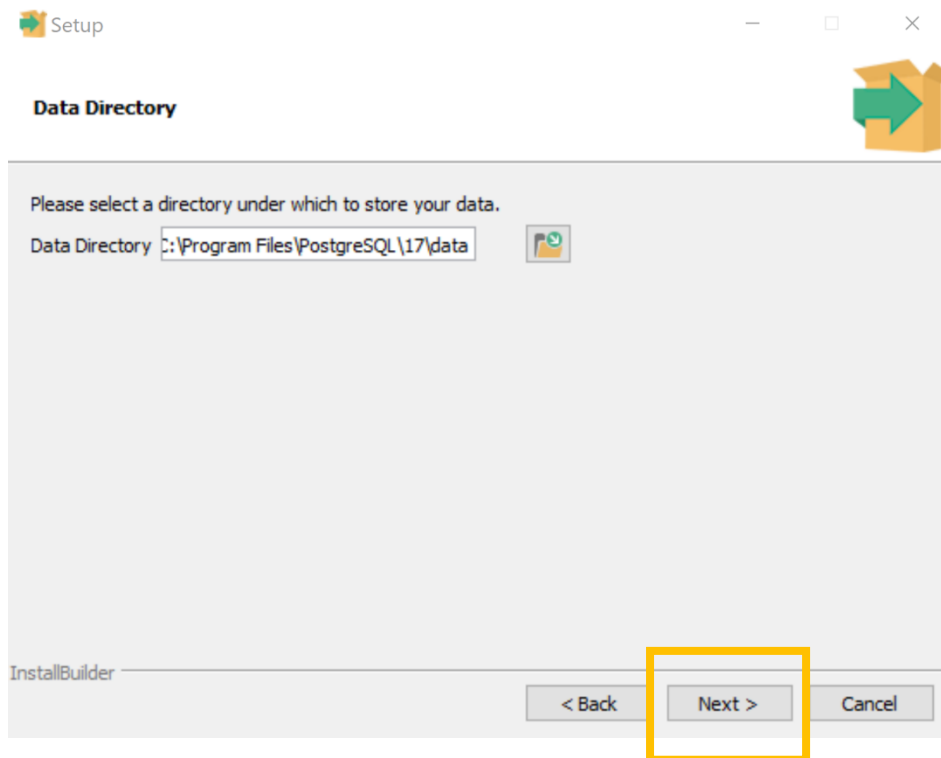

## Step 02:

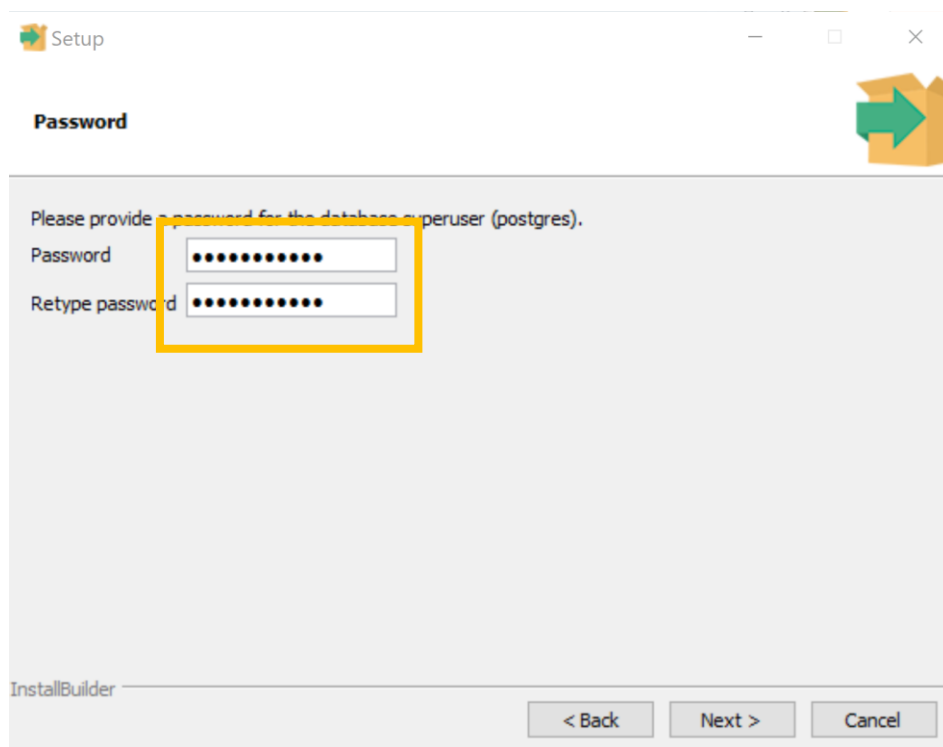

## Step 03:

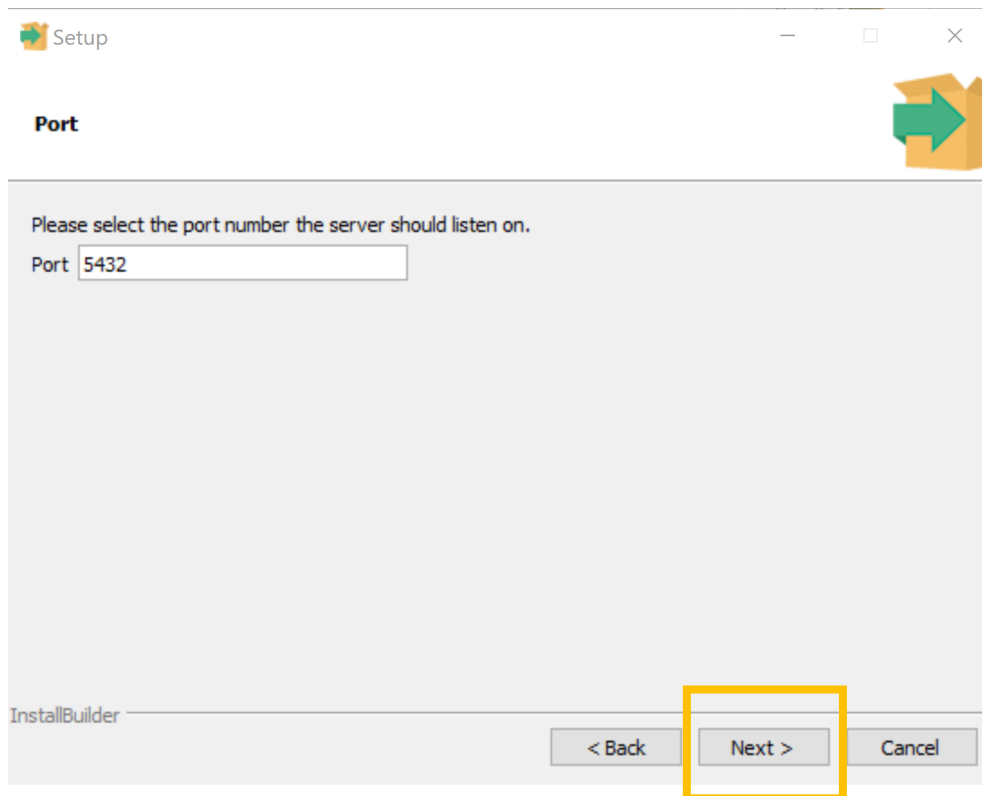

## Step 04:

## Step 05:

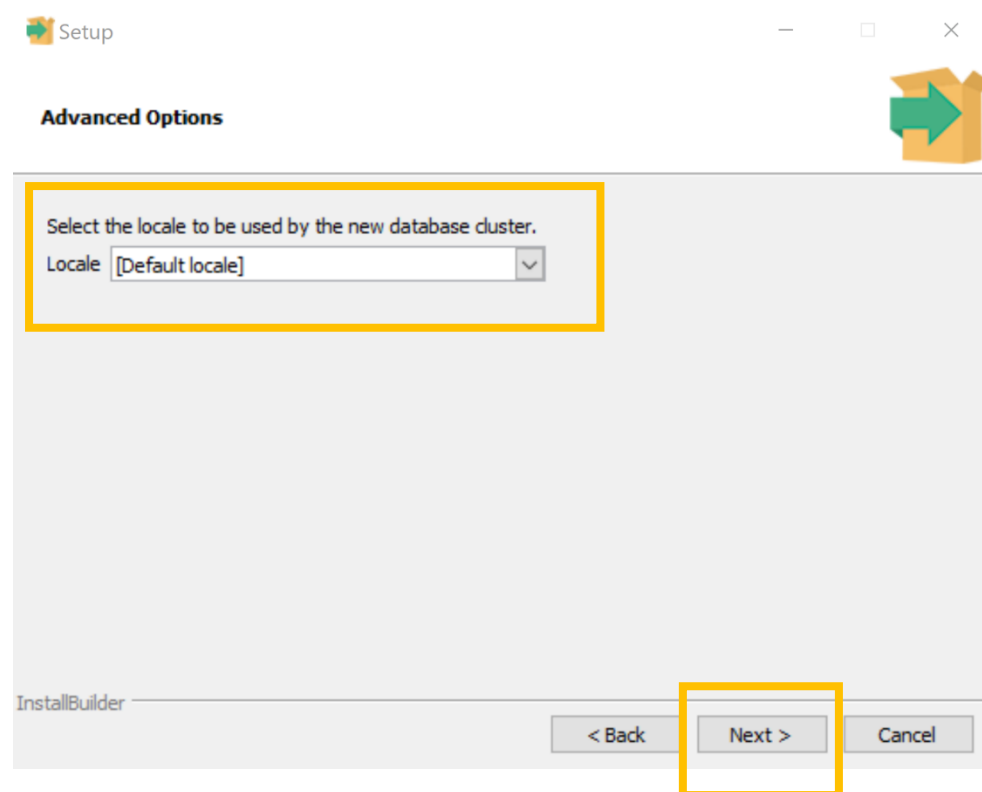

## Step 06:

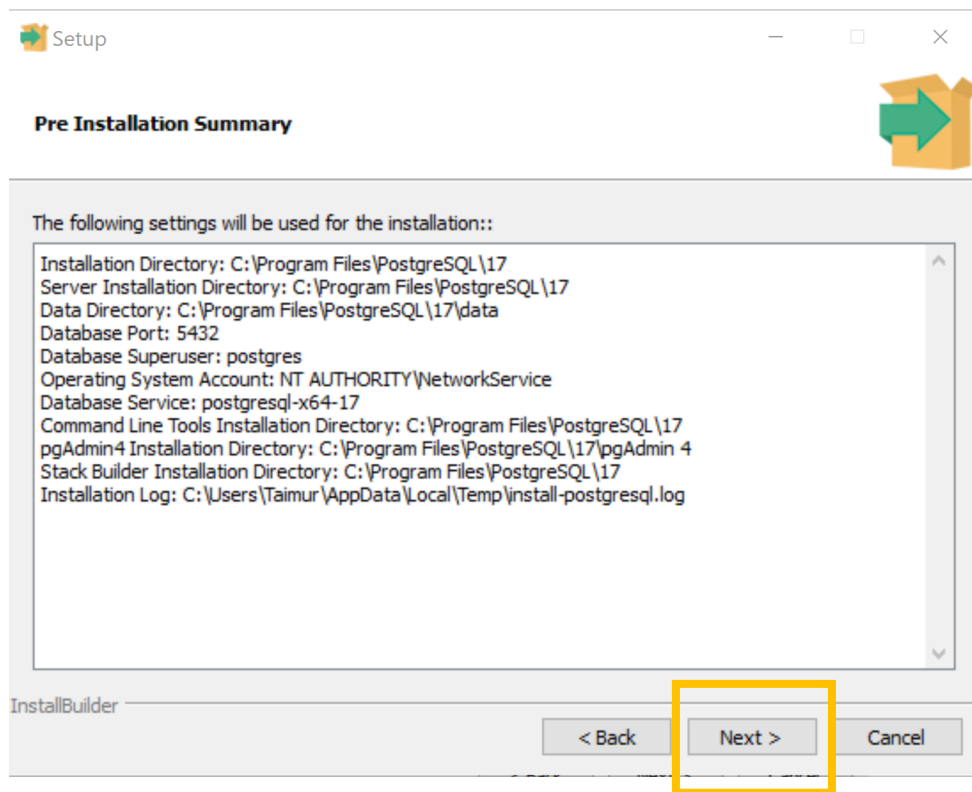

The screenshot shows the 'Port' configuration step in the InstallBuilder Setup window. The window title is 'Setup'. The main heading is 'Port'. Below the heading, there is a text prompt: 'Please select the port number the server should listen on.' followed by a text input field labeled 'Port' containing the value '5432'. At the bottom of the window, there are three buttons: '< Back', 'Next >', and 'Cancel'. The 'Next >' button is highlighted with a yellow rectangular box. In the top right corner, there is a green arrow pointing right inside a yellow box icon.

## Step 07:

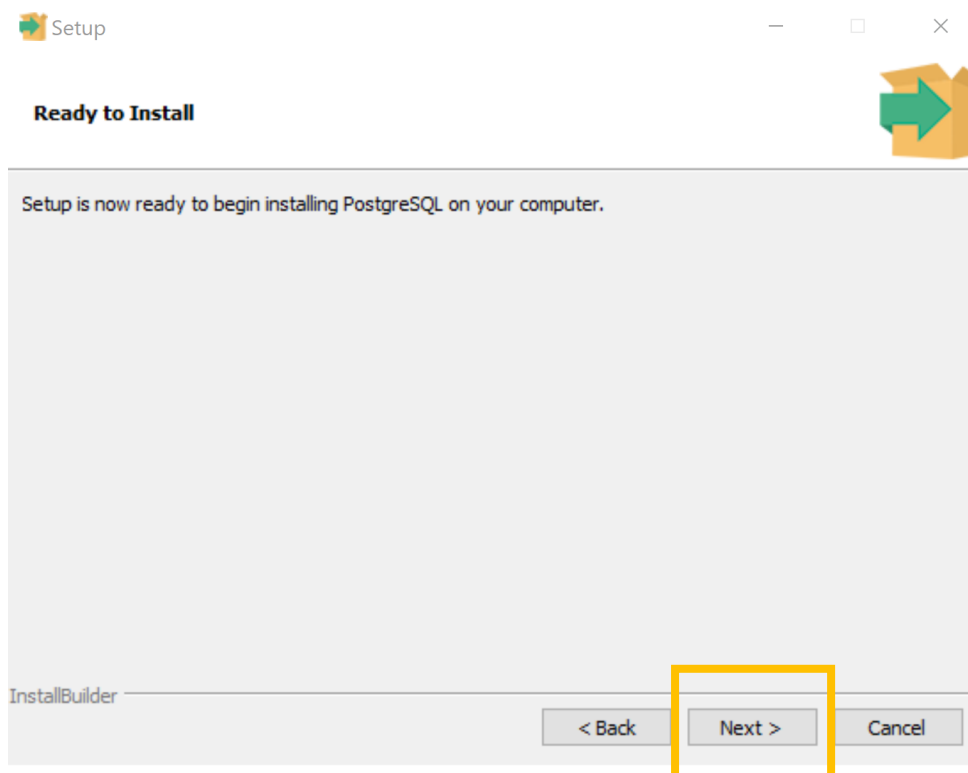

The screenshot shows the 'Advanced Options' configuration step in the InstallBuilder Setup window. The window title is 'Setup'. The main heading is 'Advanced Options'. Below the heading, there is a text prompt: 'Select the locale to be used by the new database cluster.' followed by a dropdown menu labeled 'Locale' with the value '[Default locale]'. The dropdown menu is highlighted with a yellow rectangular box. At the bottom of the window, there are three buttons: '< Back', 'Next >', and 'Cancel'. The 'Next >' button is highlighted with a yellow rectangular box. In the top right corner, there is a green arrow pointing right inside a yellow box icon.
